## CPSF awards over \$34,000 during Grant Patrol

Board members took to the streets for "Grant Patrol" to award over \$34,000 in grants on December 6. Recipients did not find out if their grant requests were awarded until Grant Patrol showed up! Thirteen grants received full or partial funding. Grants included iPads, books, alternative seating, computers for the high school world language multi-media lab and much more!

CPSF is a non-profit organization and depends on contributions by corporate donors and people like you! Through private donations and fundraising, the Claremore Public Schools Foundation (CPSF) has been able to bestow grants semi-annually since 1988.
